ABOUT CDMS & FACILITY ENGAGEMENT

In 2016, **The Cowichan District Medical Society (CDMS)** was formed in order for our MSA to receive funding as part of the Specialist Services Committee Facility Engagement initiative; the CDMS and MSA both serve to organize and represent the interests of the medical staff. For the Cowichan District, having the same physician in the role of MSA Chair and CDMS President has been done for coordination in communicating with other bodies such as HAMAC, LMAC, and Island wide MSA.

FACILITY ENGAGEMENT INITIATIVE | www.facilityengagement.ca

BC's Facility Engagement Initiative was launched in 2016 by the Specialist Services Committee as an ongoing priority of the Physician Master Agreement. It aims to:

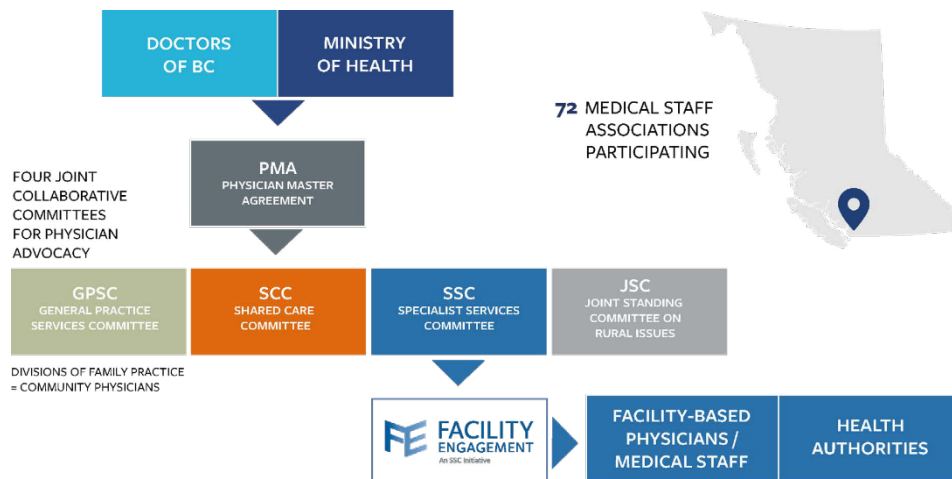

- strengthen communication, relationships and collaboration between facility-based physicians and their health authorities, and
- increase meaningful physician involvement in health authority decisions about their work environment and the delivery of patient care.

Our health authority has committed through a Memorandum of Understanding to support Facility Engagement at our local sites and at regional levels.

Funding is administered by the Specialist Services Committee (SSC) – one of four joint collaborative committees that represent a partnership of the Government of BC and Doctors of BC.

The provincial initiative provides flexibility for us to tailor engagement activities to our local facility needs and member priorities. Funding is used to:

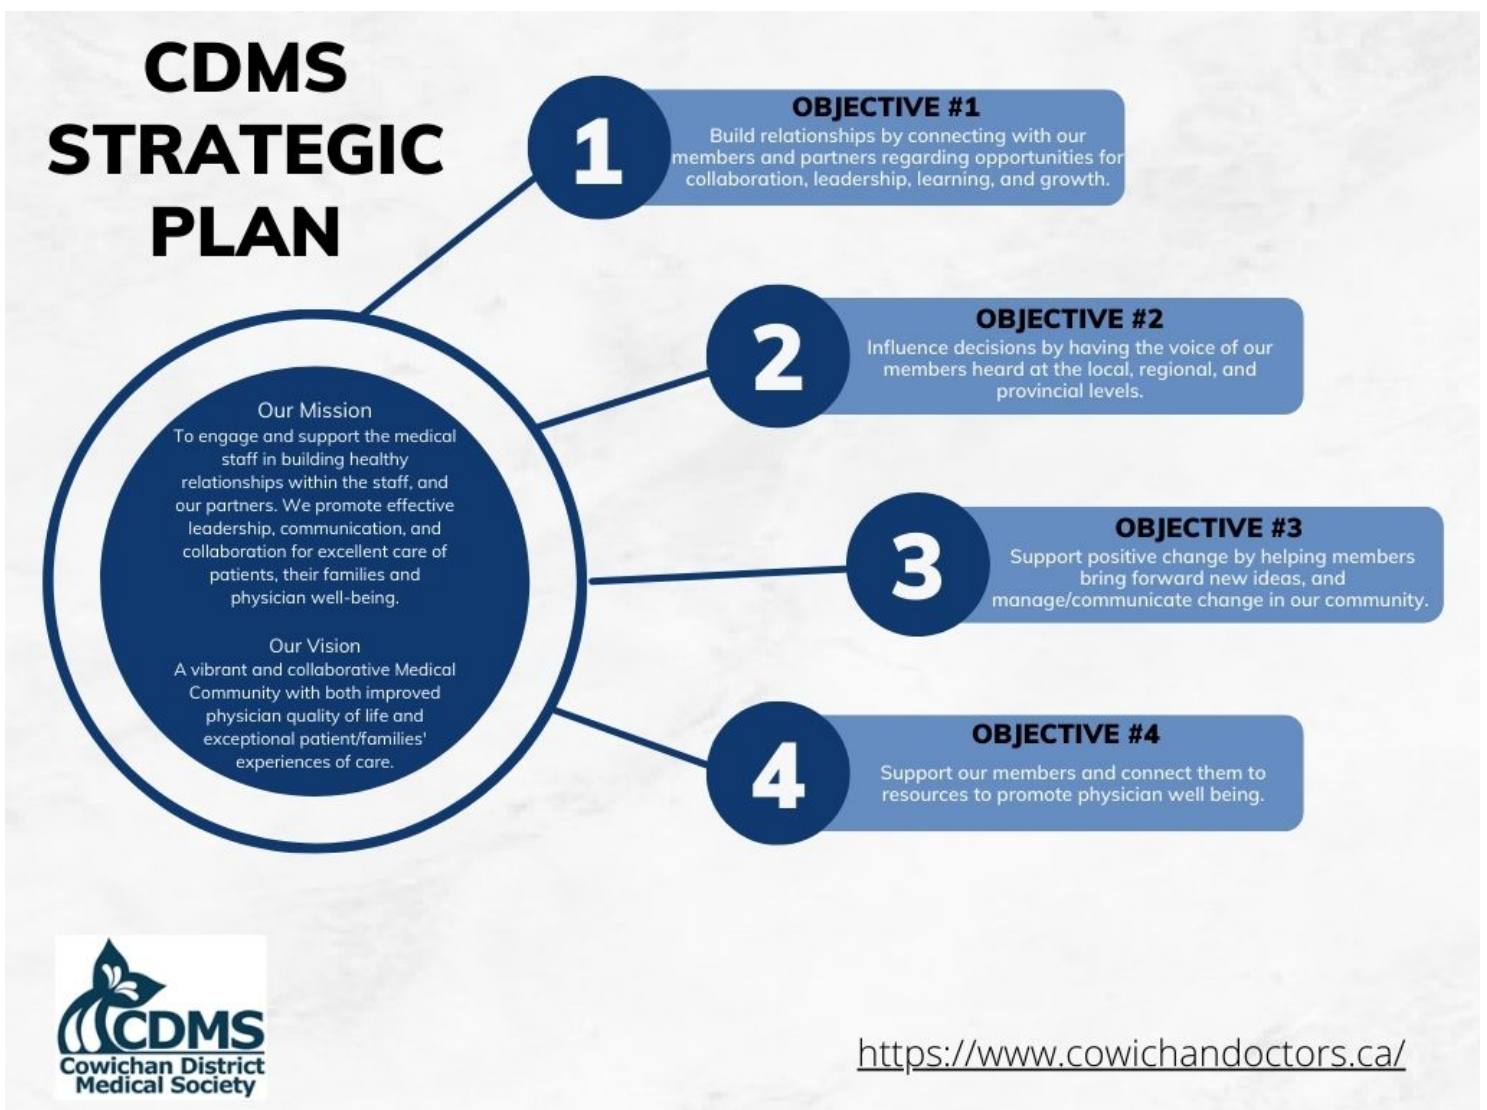

- support our local medical staff engagement governance structure and support needs.
- pay medical staff for time spent in engagement activities such as projects, meetings, and leadership activities.

ENGAGEMENT AT CDH AND CDMS

Who we are

The members of the Cowichan District Medical Society Members include all of the medical staff, Dentists, Nurse Practitioners, and Midwives that work at Cowichan District Hospital. Our role is to engage with our partners collaboratively to support improved quality of care for patients and their families and improved working conditions and well-being for all our medical staff.

ENGAGEMENT WITH ISLAND HEALTH

In British Columbia, each Health Authority has committed to working with their MSAs through a Memorandum of Understanding that supports greater engagement and collaboration with physicians. Our aim is to increase meaningful physician involvement in Health Authority decisions about work environments and the delivery of patient care. We strive to achieve this by sharing knowledge to make informed decisions, developing a cohesive physician voice, and supporting activities that involve physicians in decision-making.

MSA & Health Authority Collaborative Work and Tables

Health Authority Medical Advisory Committee (HAMAC)

The advisory committee to VIHA on medical, dental, midwifery and Nurse Practitioner practice matters, as well as quality-of-care issues.

Local Medical Advisory Committee (LMAC)

A local advisory committee to the HAMAC on medical, dental, midwifery and Nurse Practitioner clinical practice and governance matters.

HAMSA Executive Committee (HEC) | (Island MSA Network)

The HAMSA Executive Committee is composed of all MSA Presidents and one other executive member of each MSA.

HEC meetings will be held at the call of the HAMSA executive, with at least one annual meeting.

Health Authority Medical Staff Association (HAMSA)

A VIHA-wide entity operating under the Medical Staff Rules, comprised of all 11 MSAs on Vancouver Island that hold hospital privileges in Island Health.

ENGAGEMENT GOVERNANCE

CDMS GOVERNANCE AND STRUCTURE

The work of The CDMS is supported by the CDMS Executive/ Project Lead, Finance Administrator, and Administrative Assistant.

Dr. Tracey Stephenson

- Focus on strategic issues
- Continued improvement
- Unified voice outside of meetings
- Focus on outcomes and results

EXECUTIVE MEMBER ROLES AND RESPONSIBILITIES CONT.

Terms of Appointment

Election of Directors will be held at the annual general meeting.

The term of office of Directors will be revisited annually and will normally be for a period of not more than one year. For purposes of calculating the duration of a Director's term of office, the term will be deemed to commence at the close of the annual general meeting at which such Director was appointed or elected. If, however, the Director was appointed or elected at an extraordinary general meeting his or her term of office will be deemed to have commenced at the close of the annual general meeting next following such extraordinary general meeting.

Accountability

In order to understand and prioritize medical staff issues, Executive members need to seek input from medical leads, divisions, departments, all medical staff, and need to develop a reasonable understanding of Island Health leadership structures and medical staff governance. The Executive and Advisory members are accountable to the members of the Society and report to the members at each AGM.

Meeting Frequency

- At least one Executive member must be able to attend regular MSA meetings, in addition to participation at Advisory Committee meetings as necessary.
- The President and/or delegate attend monthly Island MSA Network meetings.

Executive Member Renumeration

Executive Members conducting 'Director' work (i.e., Governance) are considered an employee and will have CPP and EI deducted from pay. A T4 will be issued.

Executive Members conducting 'Non-Director' work (i.e., non-Governance work like leading or participating in a project) will **not** receive deductions and be issued a T4A.

Only half of the Executive committee (2 members) can be funded for 'non-Director' work, in addition to their 'Director' work.

As per sections 5.11 & 5.12 of the CDMS Constitution and Bylaws, a director may be compensated for being or acting as a Director. A Director may be reimbursed for all expenses necessarily and reasonably incurred by the Director while engaged in the affairs of the Society.

Remuneration rates are set by the DoBC Joint Clinical Committees.

Executive members will need to ensure they have fully set up their FEMS and VoPay accounts.

NOTE: All Executive Members are covered by Travelers Directors & Officers Liability Insurance.
