Mamta Gautam, MD, MBA, FRCPC, CPDC, CCPE, CPE is an internationally renowned psychiatrist, consultant, certified coach, author and speaker. Focused on Professional Health and Well-being since 1990, she is a trailblazer in this field and is known as the “The Doctor’s Doctor”. In the past 2 decades, she has expanded her work to include Leadership Development to better address system-level factors that impact the wellness of healthcare workers. She has created podcasts and videos on these topics, and authored articles, book chapters, and 2 international best-selling books. She brings this knowledge and expertise to PEAK MD, through which she delivers keynote presentations and workshops, consults to healthcare organizations and coaches senior medical leaders internationally.

Dr. Gautam is committed to advancing diversity in medicine, and facilitates leadership development for women in medicine. She has developed and co-leads Momentum, a 6-day retreat for women in medicine; and recently founded The Raft, an accredited online platform for leadership development, peer support and community for women physicians.

She is the recipient of numerous prestigious awards for her innovative work to support and mentor her healthcare colleagues, and has been awarded Distinguished Fellowships in both the Canadian and American Psychiatric Associations.
